RULES - PLEASE READ CAREFULLY

- It is the responsibility for each captain and bowler to know all tournament rules, USBC plus their average that will be used in this tournament. Any infraction of any rules listed below can cause forfeiture of all prize money. NO EXCUSES ACCEPTED.
- All team members must use their highest USBC sanctioned league 2014-15 average based on a minimum of 21 games during the season. If no average 2014-15, use highest average. 21 games or more for 2015-16 at the time of bowling with all others using 230 average. 120 minimum average, for both men & women. Highest averages must be used. No maximum entering average. However, negative handicapping will not be used. If current average at the time of bowling is 8 pins or higher, then 21 games or more average must be used. Bowlers having a higher non-sanctioned average than sanctioned average, must report same to tournament officials at the time of bowling for possible rerating. Possible disqualification for not reporting same. Anyone bowling 21 games or more in the 53rd Annual 2015 St. Clair Lanes Tourney, and has exceeded his or her 2016 Tournament entering average by 8 pins or more, adjustment will be made and bowler must take higher average. See USBC Rule 319. Our rule is 8 pins.
- Any member of a team that has had in the past his average rerated or his average adjusted in any tournament prior to bowling in St. Clair Lanes Tournament, or has refused to bowl in any tournament after being confronted about a possible rerate must report the time and place of incident to tournament officials. Failure to do so can cause to forfeit all prize money. Any team that has been refused entry must report same.
- Multiple Entry - Enter as often as you like, but not more than three players on the same team can place more than once in the prize list for position standings. (USBC Rule No. 317). An original team may enter as many times as they wish BUT can only cash ONCE.
- Women and senior team entrants will also compete in regular handicap and prize list, however, they will have their own special prizes paying "whichever" pays the highest cash prize. "Mixed" Team consists of at least one bowler of opposite sex.
- Handicap will be 80% of team average from 1150 pins per game, with 440 pins maximum per game for both men and women. Bowlers must be members of USBC. Sanction cards, both season and participation, are available prior to bowling.
- A senior team will consist of all 5 members being 60 years of age or older at the time of bowling. Ages will be verified at time of bowling.
- All bowling etiquette must be observed when bowling and will be strictly enforced. Only one lane on each side of bowler need be open when bowler's turn comes up. Proper bowling attire must be worn at all times.
- An individual bowler is eligible to win one prize in either the Hi Game, Hi Series or 300 game regardless of score. A team can win only one (1) cash prize in the Handicap or Scratch Division and will be based on the highest score rolled and whatever cash prize paid is highest. Under no circumstances can a team collect in both divisions, except as outlined in Rule #4 above and will be paid according to whichever pays highest.
- Each Team Captain will draw for his own team 1/2 hour before scheduled time to bowl for lanes. However, drawing will not be held until 1/2 of teams scheduled to bowl on particular shift have registered.
- Entries will be returned or adjusted in prizes with USBC approval if war, fire, labor strikes, an act of God or any other causes beyond control of ST. CLAIR LANES, INC. makes it impossible or impractical to conduct or complete the Classic and its publicized guarantee prize list and there shall be no further liability of the ST. CLAIR LANES, INC. to entrants.
- Any member of a team that reports a lower average than required or reports a higher average than required and is not changed prior to bowling, the team handicap will be based on the higher average. Any adjustment in handicaps where misstatement of averages has been made, tournament manager will make corrections, providing tournament manager has been notified within 48 hours from time of bowling, if not reported within 48 hours from time of bowling, no adjustments will be made causing disqualification and all prize money forfeited.
- Any member of a team winning \$600 or more and/or is in a position to cash that amount within the past 12 months, must report winnings, potential winnings, scores, place and time prior to bowling. Rule 319D USBC.
- We reserve the right to rerate or adjust a team members average before bowling. Tournament manager reserves the right to adjust an individuals average under USBC Rule 319E if information indicates that he or she is a better bowler than his average indicates. Tournament Managers decision is final unless appeal is made in accordance with USBC Rule 329. USBC Rule 319E will be in effect for all participants. The tournament director reserves the right to adjust the bowler's average, handicap and score, if the bowler has failed to adjust his/her own average according to Rule 319E USBC after he or she has bowled.
- A photo will be taken of all teams that will possibly be in the top 100 spots of the tournament, also, members of those teams will be asked to present their USBC sanction cards and a signature.
- ALL PRIZE FEES RETURNED 100%. All USBC Rules not specified above will be in effect. Tournament manager reserves the right to refuse any entry without cause.
